

# SHECHEN GUEST HOUSE (P.) LTD.

April 10, 2018

## Notice

Dear Guest,

This is to kindly inform our beloved guests both staying here and coming from outside for the meals that our restaurant will be doing a major maintenance, particularly the whole roof from May 1, 2018. And to do this work, we need to close the restaurant completely for a month. And we plan to finish it as earlier as possible, but the booking of rooms and staying will be continuing. Since it is taking a long time to finish completely, you will have to go out nearby for meals during that period. The restaurant reopens from the beginning of June 2018. So, we are extremely sorry for any inconveniences occurred.

Thankfully yours,

Tashi Tsering
